

## Precious Little Son

Today's the day that you were made  
A new life has begun  
Within the womb inside of me  
My precious little son

From this first day you changed me  
Now through your eyes I see  
Do I want your eyes to look at  
The same things that I see?

I look around at this world of mine  
In a way I've never done  
I think...is it safe here  
For my precious little son?

Sadly I know  
The answer is no  
So I drop down to my knees  
I cry as I ask Jesus  
Please help you & me

Where are the smiling faces  
For your new eyes to see?  
They are not here in my world  
If I die...They may never be

I can only protect you for a while  
While you are safe inside of me  
So I search for smiling happy faces  
For your brand new eyes to see

Again I ask Jesus  
To help me find someone  
To love this life inside of me  
My precious little son

I know someone is waiting  
God has chosen them  
To give you all the love you need  
& make you part of them

*How I know you need them  
How they have prayed for you to come  
So they can share a part of their world with  
Their precious little son*

*I found the happy smiling faces  
That I want you to see  
& they can't wait to meet their son  
That lives inside of me*

*Their world is so much brighter  
So I share my love for you  
With lots of happy smiling faces  
& they will let me love you too*

*I will always love you  
I want you to know  
You are in my heart forever  
You are everywhere I go*

*Now we wait on your arrival  
We can't wait for you to see  
How good it feels to share a love  
That only through God can be*

*Our happy smiling faces  
Stand together now as one  
To love this life inside of me  
Our precious little son*
