Legally **NOBODY** can force you to abort- not your mother, not the baby’s father - **NOBODY**. We will help!

Dear Friends,

We are not here to judge you, but to HELP you and to live out the gospel message.

“Teacher, which is the greatest commandment in the Law? Jesus replied: Love the Lord your God with all your heart, soul and mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself.”

Matthew 22:36-49

You are our neighbor! And love is not merely a feeling but it is an action. We are here to pray for you and we hope you will let us help you.

Abortion is always the wrong choice because each human being is made in the image and likeness of God and is precious to Him. That includes your baby and it includes **you!** From your first moment of conception, you had the DNA that would determine your sex, facial features, physique and the color of your skin, hair and eyes. Your baby does too.

We know you have FEARS and real burdens. If you didn't you wouldn't be here. We promise to do whatever we can to help. We will love your baby with you and help you to move forward in your life.

Love, The Helpers
